

IF JESUS LEADS THIS ARMY

When Abraham was called of God
To leave his native land
He started forth not knowing where
Obeying God's command.
God took Abram by the hand
And He led him all the way
And the God that lived in Abraham's time
Is Jesus of today.

Chorus

If Jesus leads this army
We'll outshine the sun.
We'll outshine the sun.
We'll outshine the sun.
If Jesus leads this army
We'll outshine the sun.
And walk the golden streets on high.

When Moses and the Israelites
From Egypt land did flee
Behind them was King Pharoah
In front of them the sea
God rolled the waters like a wall
And He opened up a way
And the God that lived in Moses' time
Is Jesus of today.

(Chorus)

When David and Goliath met
The wrong against the right
The giant armed with human might
But David with God's might
He took that sling and stone
And quick the giant did slay
And the God that lived in David's time
Is Jesus of today.

(Chorus)

When Pentecost had fully come
The power from heaven did fall
The Holy Ghost like rushing wind
Baptized them one and all
Three thousand were converted
Made soldiers right a way
And the God that dwelt at Pentecost
Is Jesus of today.

(Chorus)

When Paul and Silas for the truth
Were put behind the bars
They sang and prayed to God at night
God granted their desire
He shook the prison with his power
The prisoners he set free
And the God that shook old Phillipi
Can shake both you and me.

(Chorus)
